ABOUT US

Originally conceived in 1982, The Surin Phuket was one of the pioneers to bring luxury to the island. With a long history of service excellence, we are proud to be one of Phuket's best performing 5-star hotels. A respectful work climate which permits each and every of our colleagues to showcase their skills - paired with training, room to grow and "a dash of fun" - allows us to continuously develop our team spirit to reach higher levels.
